MATHO signs Distribution Agreement in the United Kingdom

Ellwangen, Germany (August 14, 2009) – Josef Thor, Managing Director of Matho GmbH, is proud to announce a new sales and service agent in the UK and Scandinavia. PGM Graphics Solutions will act as an exclusive sales agent for Matho's customers in the UK, Ireland and Scandinavia apart from Finland. PGM will provide interested customers with the latest technology in the field of modern cutting units and waste handling systems.

About PGM Graphic Solutions:

PGM Graphic Solutions is a family-owned company with more than 20 years experience of supplying high-quality equipment for the narrow web industry. Claus Nielsen, Managing Director of PGM, will take responsibility for the sales activities of Matho in the labels, converting and packaging industry. The company distributes, besides Matho, new machinery or other prime brands.

About Matho Konstruktion & Maschinenbau GmbH:

Matho is dedicated to manufacturing exceptionally engineered waste handling systems. Matho's business model is built on innovation, operational efficiency and customer satisfaction. The systems cut, extract and transport the production waste into a waste disposal. Thanks to the modular structured concept, Matho is in a position to convert customer wishes to reality, immediately and with great flexibility.
